

KCBS NOTE:

(This is the SF Zoo document attached to the February 11, 2007 "Diet Change Request Form." Diet change was approved, but Tatiana's diet was reduced to the previous level on March 22).

Siberian Tiger comparisons (from Zoo biology 2005, our records, and the Denver Zoo ADT forms)

Female tiger	weight	diet	Weekly food weight
"Tatiana" (here)	118 kg 260 lbs	5# (4 days), 2# & 1 rabbit (2 days), 1 fast-day	32#-36#
Oregon Zoo	125 kg	10# (6 days), 1 fast-day	60#
Private facility	260 kg	10# daily	70#
Houston Zoo	120-129 kg	5-8# daily (losing wt at 5#, heavy at 8#)	35-56#
"Tatiana" (in Denver)	134 kg 295 lbs	6# daily	42#

Proposed increase is 6# (4 days), 3# & 1 rabbit (2 days) and one fast/bone day.

Weekly food weight: 38 to 42#
